## WEBINAR SERIES

12 - 15 APRIL 2021

18:00 EAT | 15:00 GMT | 10:00 ET

The webinar series consists of online presentations by sustainable entrepreneurs working in Africa followed by Q&A-sessions. You can ask questions via chat. The webinars are conducted in English. Each day is introduced by The Africa Centre and Learning Connected followed by the presentations on sustainable entrepreneurship in Africa. You can take part in all webinars of the series and join at any time. There is no fee to attend, however, you will need to register.

**The Africa Centre** | [africacentre.org.uk](http://africacentre.org.uk)

The Africa Centre is a charity with a mission to create and promote authentic African cultural experiences. The Africa Centre achieves this through spaces and platforms that encourage creative expression, social interaction, cultural exchange, learning and entrepreneurship, and innovation. The Africa Centre works with individuals, communities and organisations in different parts of Africa and its global diaspora. They serve African and Caribbean communities in the UK and welcome anyone with an interest in Africa.

**Learning Connected** | [learning-connected.org](http://learning-connected.org)

Learning Connected is a platform for educators to connect, share transformative knowledge, and enrich learning experiences. Learning Connected works across all phases of education to design impactful learning experiences so that today's learners thrive and shape their world for the better.
